ACCRO'PARK

Duration: 0.5

Difficulty: ▲▲▲▲▲

Price from: 14 €

The Gaillands Accro'Park is the largest adventure park in the Chamonix valley. A stone's throw from the town centre, in the Gaillands forest, it is an ideal spot for outdoor adventure with family and friends. **Six routes with over 100 activity** stations await you for an unforgettable experience. The 'Accrobranche' tree-to-tree rope-ways were designed by our mountain guides, inspired by their mountain ascents, to give you the chance to enjoy the same adventures in the valley's woodlands. Test your own limits, passing from tree to tree via rope walks, scramble nets, jumping platforms, bungee jumps, and giant ziplines opposite the Mont Blanc Massif. The on-site Gaillands café offers fast food in a great setting with ice creams, drinks and snacks. The site also has public toilets and is easily accessible via public transport.

To ensure optimal safety for everyone there is a mandatory briefing session about safety instructions and the whole site is fitted with continuous lifelines. The Gaillands Accro'Park is for those over 1m in height.
